

Do you meet the following criteria?

- 1) Post-menopausal woman
- 2) Between the ages 45-65

If you can answer “yes” to both of the above criteria, you may qualify for a new research study being conducted at Millennium Clinical Trials.

Researchers are conducting a clinical trial to test the safety and effectiveness of an investigational medication to lower blood pressure.

Qualified study participants will receive at no cost: study medication and study related medical care. Compensation for time and travel will be provided.
